

The Financial Support Worker from the Help with Money Project will meet with you face to face to help you with the following:

- ❖ Explain the importance of money matters and what action you need to take to resolve your problems.
- ❖ Look at your current financial position, your aspirations and goals.
- ❖ Identify priorities and options for you to consider.
- ❖ Identify, if required, other help that you might need.
- ❖ Establish a plan of action with you and support you to take the action needed.

How have we helped you?

So that we know we are providing the right services to our Tenants you will be asked to complete a short questionnaire so that we can get your feedback to find out how our support has helped you.

***You're not alone...
We can help you!***

For further information on the project and how we can help you please contact Barry, Financial Support Worker on 01750 724444.

HELP WITH MONEY PROJECT

Providing financial advice to our Tenants

Scottish Borders Housing Association (SBHA) deliver the Help with Money Project to benefit you, our Tenants.

The Help with Money Project will help you avoid serious financial problems by giving you the skills, knowledge and confidence to make the financial choices that are right for you.

You can meet with our Financial Support Worker on a one to one basis in your home or in a place that suits you.

We will aim to help you manage your money by offering support with budgeting and prioritising your debt and bills, to help build your financial capability to prevent escalating debts or from debt happening in the first place.

We will work with you to help you better understand how to manage your money, help you understand credit, banking, savings and how best to deal with debt.

Don't bury your head in the sand...

We can help you!

All discussions you have with the Financial Capability Worker about your financial circumstances will be in complete confidence.
