<p><b>Questions</b></p>	<p>Regarding Branxholme Road How many of the garages are currently vacant, and how many are currently being used. Can you also provide a list of all the vacant garages.</p> <p>SBHA has a total of 48 garages in Branxholme Road. As of 21/11/22, 41 of these are occupied, and 7 are empty. The empty garages are numbers G8, G13, G18, G33, G41, G44, and G45.</p> <p>As you also refer to garage conversions, I can advise that just 34 of these 48 garages are being considered for potential conversion. These are numbers G16 to G49, of which 5 are currently not tenanted.</p> <p>Harden Place (not currently on the 'hit list' for converting), How many of the garages are currently vacant, and how many are currently being used. Can you also provide a list of all the vacant garages.</p> <p>We have 22 in total in Harden Place. As of 21/11/22, 21 of these are occupied, and 1 (G13) is not currently tenanted. As you say, Harden Place is not currently considered suitable for conversion.</p>
