

Request for Information

Ref: 00083 FOI

Freedom of Information (Scotland) Act 2002

**Questions**

The request was for the number of socially rented homes that have reported having damp and mould in each year since 2007, with a breakdown by year.

The response was:

Financial Year (1st April to 31st March)	Number of Damp & Mould reports
2023/24	619
2024/25 (to 28/10/2024)	269

Prior to April 2023 reports of damp and mould were not separately identifiable in our systems. Since April 2023 reports of damp and mould have a separately identifiable inspection code which allows us to track and report on cases. We are therefore unable to provide any data prior to April 2023.

Please note that this response constitutes full release under the Freedom of Information (Scotland) Act 2002.
